

10/04/2019 WEDNESDAY 18:00 - 21:00

DO YOU HAVE THREE HOURS TO TACKLE CLIMATE CHANGE?

Join the Ideation Workshop

NEW WORK Offices - Anker Business Center,
H-1061 Budapest, Anker köz 2-4.

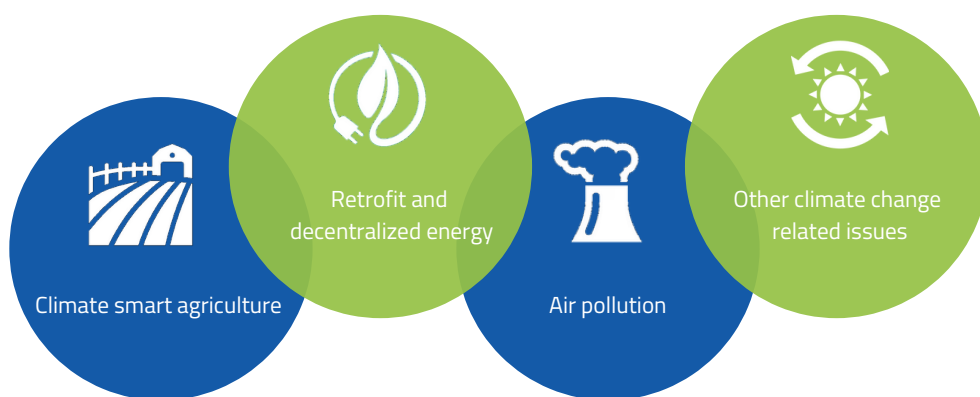

Would you like to do something to tackle climate change? Would you like to enter the startup world, but have no business idea yet? Or you have a climate change related business idea, but missing a good team? Then this event is for you!

We help you to create innovative business ideas by the end of the workshop, and form promising teams who will be able to join our idea competition and pre-incubation programmes.

AIM OF THE WORKSHOP

FOCUS AREAS OF THE WORKSHOP

WHAT WE OFFER?

OUR PROGRAMMES

ClimateLaunchpad

Climate Launchpad is the world's largest green business ideas competition; it takes place in 46 countries with a mission to unlock the world's clean tech potential that addresses climate change.

Greenhouse

Greenhouse is a special pre-incubator for starting entrepreneurs who have an idea and the motivation to make it happen in the future, besides mentoring teams receive 2 500 EUR non-refundable grant to support their development.

IF YOU ARE CONCERNED THAT...

every year more than 4.2 million people die as a result of exposure to ambient air pollution

more than 80% of the buildings in Hungary are in bad condition regarding energy efficiency

2400 liters of water are required to produce one hamburger

...then you should definitely come to the workshop!

Please note, that the event is open for everyone but registration for the workshop is mandatory since the workplace is limited.

You can register here until the 7th April.

Climate-KIC is supported by the EIT, a body of the European Union
