

Journey

Take action on climate change through entrepreneurship

The Climate-KIC Journey is the world's largest climate innovation summer school offering transformative learning and hands-on business experience.

Climate-KIC is supported by the EIT,
a body of the European Union

Apply now!

The Journey is a full-time intensive 4 week residence programme.

Each year more than 400 participants visit more than 20 cities across Europe.

Participants will work with 50+ mentors and a network of 150+ like-minded peers.

The Journey is your opportunity to:

- Visit 3 European cities to tackle real-life climate issues working together in multidisciplinary learning labs.
- Learn from some of the best climate experts in the world, meet successful entrepreneurs and like-minded change agents.
- Be inspired by entrepreneurs and innovators who are already putting their ideas into practice.
- Enhance your career qualifications.

What you will take away from the Journey:

- An ability to innovative and co-create systemic solutions to climate change.
- Learn to accelerate solutions to enable transformative change.
- Be part of a career changing network and community of entrepreneurs, innovators, businesses, regional governments and academic institutions.

Fees and applications

For EU students (holders of an EU/EEA/Swiss passport or students full time enrolled at a European institution during the 2018/19 academic year) there is no fee to take part in the Journey. For all other participants a fee will apply.

For application deadlines, forms, FAQs, please visit our website: journey.climate-kic.org

Some pre-reading, webinars, and a discussion portal will be open to successful applicants in the weeks before the Journey starts.
